Message Detail

Friday, March 13, 2020

Dear Parents,
 We are doing everything we can to proactively stop the potential spread of COVID-19. Our custodial crew is increasing the amount of disinfecting within the school. including the floor. Restrooms are disinfected and pressure washed. Handrails, stair rails, door handles, drinking fountains, etc. are disinfected throughout the day. Our custodial staff is doing a fantastic job! Please let them know we appreciate their efforts and concern.

Please be aware of the following:

1. Minimal Days Monday & Tuesday, March 16-17:
 We are training our teachers on Canvas to support potential online learning.

2. Illness
 We are asking that employees, students, or parents that are displaying symptoms of illness should not come to school,

3. School Plays and other Performances
 Some of you have asked about the upcoming school plays or dance concerts. Teachers are welcome to have students continue rehearsals in preparation for performance number of guests to under 100 people for each performance.

4. Out of State Trip Cancellations
 Out of state trips are canceled.

5. Athletic Teams
 The UHSAA spring activities that are sponsored by UHSAA are suspended beginning Monday, March 16. Although games have been suspended, teams can continue to practice. People can move forward as planned. No games are being held for the next couple of weeks. The season is not canceled, just on hold. We hope games will resume shortly.

6. Graduation
 Decisions about graduation ceremonies have not been made.

7. Caucus Meetings Cancelled
 We received word yesterday that the Caucus meetings have been canceled throughout the district.

8. Governor's Press Conference
 As you may know, yesterday Governor Herbert announced statewide efforts to proactively stop the potential spread of COVID-19. He has asked that we limit public gatherings. IT DOES affect our state CTSO student conferences. If you didn't see the Governor's press conference about Utah's plan to address, you can watch the video the Utah Coronavirus Task Force's Facebook page and on YouTube.

9. Here is the link to our 2_Week CVHS Calendar
[2-week calendar](#)
 I will continue to forward resources and information as I receive it.

Courtney
