It reminds me of a clip from the Apollo 13 movie where director turns to them and says, "With all due respect, sir, I believe this is going to be our finest hour." That is the sentiment that kept coming to me today. Even though</p> <p>What a wonderful statement! I am so proud to work with so many caring and kind teachers and parents. Thank you for your support and fantastic suggestions.</p> <p>My team has been working on updating our Q & A link. The information is changing rapidly. What was an answer yesterday may very well be different today.</p> <p>Please make note of the following:</p> <ol style="list-style-type: none"> 1. Questions and Answers Link: 2.
