Principal Johnson Communication #10

2019-20 School Theme "Lives without Limits"

Wednesday, March 25, 2020

Dear Parents,

As many of you know, Governor Herbert and Superintendent Sydnee Dickson issued a press release announcing that "Utah's K-12 public schools will extend their dismissal through Friday, May 1st."

I know these types of circumstances have the potential to derail students' learning... or with the right perspective, it could provide opportunities for all of us to look for the silver lining in all of this.

Since we will be utilizing digital instruction for several more weeks, there are many things we need to discuss and make decisions about. We have already heard from many of you with questions since this announcement was made. Thanks for your patience as we work through things. Most of our teachers have successfully launched their Canvas courses now.

For now, please make note of the following:

### 1. Spring Break

Spring Break will be the entire week of April 6-10 (Monday through Friday). There should not be any school work assigned during that week. Teachers, students, employees, administrators, and parents will take a much-needed break.

### 2. School Yearbooks

Our yearbook advisor is working hard so that students will receive their yearbook at the end of the school year.

### 3. AP Testing

AP will be offering online exams that can be taken from home. They will be 45-minute exams. AP will communicate directly with teachers and students but we will continue to communicate anything new that we find out. On April 3rd, the College Board will release information on how AP exams can be accessed and when. For more info follow this [link](#).

#### 4. Graduation

Commencement is an important tradition that deeply impacts the students involved. It is a time of celebration, pride, and accomplishment. It serves as the final send-off of our CVHS students into the world.

We are making plans for graduation. We are planning to make it very special. I will keep you updated if we make changes.

#### 5. Senior Movie For Graduation

Our Skybound teacher, Jenny Wall, is gathering pictures from our seniors for their graduation movie. Please see the Instagram, Facebook, and Twitter posts with the QR code so students can submit their pictures. or...[Link Here](#) to upload school-related senior pictures.

#### 6. Graduation Ranking

Our Aviator Scholar will be awarded to the top 10% of graduating seniors. It is a weighted ranking formula. Please watch the video we posted on Instagram and Facebook yesterday.

GPA X 10  
Add- ACT composite score  
Add- Concurrent Enrollment classes (.5 per semester)  
Add- full-year class (1 point )  
Add- MTECH full-year program (1 point)

#### 7. [Questions and Answers Link:](#)

Let's make it a very productive week and learn new things you never had time to learn before!

Sincerely,

Courtney Johnson

Principal

CVHS
