**Graduation Recording Process**

Each senior will arrive at the Cedar Valley Aviator Auditorium dressed in their Crimson Cap & Gown, black stole, school medals and honor cords during their allotted time slot. *(Please remember that the graduate can not wear any leis nor a decorated cap during this process).* You will enter the school using the center parking lot/roundabout. You will be greeted, checked in and assigned a numbered parking stall in front of the auditorium to park in as you wait to be called. When it is your turn, a staff member will have you follow the path to the side door entrance of the auditorium hallway where you will enter. Seniors will receive their name card that will be used as their name is read when they walk across the stage.

Parents/Guardians (up to 4 adults only) will be directed to a designated area at the front center of the stage where they will be able to video and take pictures of their child as they walk across the stage and hear their graduates name announced and as they receive their diploma cover from Principal Courtney Johnson. A still picture will be taken of this as well as a picture of the graduate in front of the new fuselage that will be edited into the virtual commencement ceremony. These photos will be available to download at a later date.

As the parents and students depart the auditorium into the lobby, we will have "ACE" the Kestrel and Aviator backdrop where selfies can be taken before they exit the school. Stoles will be

returned on their way out. The graduates may want to wear your senior t-shirt, "I'd Rather Fly Than Walk," under your gowns for photo opportunities.

On May 28<sup>th</sup> the Graduation Ceremony video will premiere on the CVHS YouTube channel at 6:30 pm. *We suggest that seniors wear their cap & gown while watching the ceremony and encourage them to participate in the tradition of moving their tassel from right to left signifying the class has officially graduated.* The link will be provided the day before the premiere via email and posted on the CVHS website.

Commencement Programs & Diplomas will be mailed home the first week of June once all graduation requirements have been met. Thank you for your patience as some details are subject to change.
